DRAYTON VALLEY, ALBERTA

VOL. II, NO. 7 FEBRUARY 16, 1966 PRICE 10¢

Measles Sweeping Town And District

Red measles have reached epidemic proportions in Drayton Valley and surrounding area with an estimated 200 or 300 cases reported to doctors here.

Dr. David Lewis, contacted by The Western Review, stated that the total could quite likely go higher. The outbreak started about two weeks ago.

Symptoms, Dr. Lewis said, are much the same as a cold with possible fever up to 104 degrees, headaches, sore throat, runny nose and sore eyes. On the fourth day he said a blotchy red rash appears that lasts about a week.

Dr. Lewis suggested consultation with a doctor when symptoms of the above nature appear as complications from red measles could lead to chronic earache and chest infections.

WORLD DAY OF PRAYER

The World Day of Prayer service will be held this year in the Pentecostal Tabernacle on Friday, February 25th at 8:00 p.m. Ladies from six congregations will take part in the service. This year the theme will be, "Ye are My Witnesses."

A colored film entitled, "The Day Thou Gavest" will be presented which will depict how the World Day of Prayer offerings are used.

All ladies from town and district are urged to attend the World Day of Prayer Service.

Civil Defence Courses Planned

Three civil defence courses are planned for Drayton Valley in the near future. They are Rescue, Home Nursing and First Aid.

Anyone interested in the rescue course should contact Al Miles at 542-3326, those interested in home nursing or first aid please get in touch with Mrs. Palmer at 542-3704.

Mr. Miles states that holding of the rescue course, which has never before been conducted in Drayton Valley is made possible by courtesy of

Church Parade Planned

Baden Powell Week will be observed in Drayton Valley with a church parade on Saturday, February 26th.

All group leaders and Cubs, Scouts, Brownies, Guides and Rangers are asked to assemble at the Town Office parking lot at 1:30 p.m. on the parade day. The parade will move off at 1:40 p.m. and march down 50th Avenue to St. Anthony's School where services will be conducted in the school auditorium by Drayton Valley clergymen.

All members of the participating groups are asked to be present along with parents. The 1st Drayton Valley Scout Group Committee urges that a large number of parents and boys and girls attend the service and ensure its success.

An invitation is also extended to Lodgepole and Cynthia groups who are also asked to meet at the assembly point at 1:30 p.m.

FOOTBALL CLUB PLANS BOTTLE DRIVE

Members of the Stampede Pee Wee Football Club will hold a bottle drive on Monday, February 21st starting at 3:30 p.m. The assistance of residents in supporting minor football in Drayton Valley is sought in this drive to raise funds.

Mr. Leonard Kay of Lodgepole, who has completed the necessary courses and holds an instructor's certificate. He has indicated his willingness to lead the course.

Holding these courses, however, depends on the interest of a sufficient number of applicants, so all those interested should make a point of applying early.

It is hoped that the courses will be underway within a month's time.

The Drayton Valley Ski Hill has attracted a large number of skiers on recent Sundays. The above photo snapped by

Peter Jacobs of Jacobs Studio in Drayton Valley shows the tow in use.

Drayton Delegates Attend Olds Meet

Delegates from Drayton Valley to the Central Alberta Chamber of Commerce meeting in Olds last Friday found relatively little response among members to two resolutions presented by the Drayton Chamber of Commerce.

The first, a request that support be given to the Drayton Valley proposal of a highway linking the Brazeau Dam and Nordegg was, after a debate on technicalities and procedure, to be taken back to various chambers in towns represented to determine response.

The second resolution, that in future when dams are to be built that the area first be cleared of trees to create a reasonably good lake after flooding, was accorded more enthusiasm but it too was to be taken back for study at the local chamber level.

Feeling of the meeting was that the resolutions should have been forwarded to the various chambers for study before presentation to the annual meeting.

Delegates from Drayton Valley, which was represented at the annual meeting for the first time were A. Braden, W. Johanneson and R. Smith. Clifford E. Stiller, secretary-manager of the Stettler Board of Trade, was elected president of the group. He succeeds Neil Leatherdale of Olds.

George B. Horn of Red Deer was elected vice-president.

About 40 members from Rocky Mountain House, Red Deer, Stettler, Olds, Castor, Hanna and Innisfail attended the meeting.

Mr. Leatherdale reported that two of the main chamber projects - the Red Deer River water diversion plan, and the David Thompson Highway - made big progress during the year.

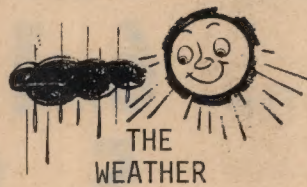

The chamber also will continue to press for the Howse Pass Route to connect with the Trans-Canada Highway near Golden, B.C., which

would bring Central Alberta and Edmonton closer to Vancouver.

Donald McCallum of Hanna presented the water conservation report and said members of his committee had conferred earlier with members of the Alberta cabinet before the recent broad scheme of water conservation was announced.

David Broadfoot of Medicine Hat, a director of the Western Reclamation Association, said there is a need

Run-Away Car Hits Theatre

A run-away car in Drayton Valley Tuesday morning caused considerable damage to the front of the Cardium Theatre.

The car, with automatic transmission, was parked in front of the laundromat and got underway without a driver. After completing a large half circle it backed into the front of the theatre where it ended its wanderings.

Baldwin To Open Bonspiel

Curling club president Kevin Goble announced this week that three time winner Matt Baldwin would be on hand Wednesday, February 23rd at 5:00 P.M. to officially get the Ninth Annual Drayton Valley Men's Open Bonspiel underway.

Baldwin is also holder of the Keen Ice Trophy seen on C.B.X.T.V., for the past three years and is again making a strong bid to win the championship. Baldwin had previously filed entry to play in the bonspiel.

The symbol of the Red Cross is the reverse of the Swiss flag. It honours its Swiss founder, Henri Dunant

Town Planner To Speak

Residents of the community are reminded of the dinner in the Cardium Room of the Drayton Valley Hotel on Monday, February 21st at which Mr. D.L. Makale will be guest speaker.

Mr. Makale, a town planner, will speak on a general plan for the economic growth of Drayton Valley.

FOCUS

Drayton Valley Lion's Plan Charter Night

The Drayton Valley Lions Club is holding its 9th Anniversary Charter Night celebration on Friday, February 18th at the Elk's Hall. Celebrations we hope to have are, District Governor, Ed Hays, Deputy Governor A. Renneberg and Mayor Howard Pickup. As many original charter members, all Lions members and guests who can possibly make it should be on hand for the activities. Supper will be served at 7:00 p.m. with entertainment and dance to follow. Tickets are available from Alf Armstrong.

R. Wickens and J. O'Rourke gave an interesting and informative talk on the organization of scouting on the local and provincial levels at the January 18th general meeting.

There are still many 0 to 50¢ pay-as-you-pull type tickets available for the raffle of the R.C.A. Victor Stereo set valued at \$650. These may be purchased from any Lion member.

Plans are now being drawn up for a "Children's Playhouse" which will be built and raffled off this summer, possibly during the Klondike celebrations.

This year we are budgeting close to \$5000 for the Lions

West Valley Park. This could well be one of Drayton Valley's great centennial attractions.

As of December 31, 1965, Lions International had 778,608 members in 19,834 clubs in 132 countries and geographical locations.

Drayton Men Win Third In Canoe Race

Two Drayton Valley Canoeists made a fine showing in Muk Luk Mardi Gras activities in Edmonton over the weekend.

Reg. Samis and David Ellery came in 3rd in a field of 12 Canoes taking part in a race on the open water in the city.

INTERDENOMINATIONAL BIBLE STUDY

Interdenominational Bible Study will be held this week at the home of Dr. and Mrs. Machure, 4717 - 44th Street, on Thursday at 8:30 p.m.

Anyone interested is very welcome to attend.

Delegates Attend

Cont. from Page 1

for a more comprehensive system of laws and regulation concerning water rights and diversions.

Mr. Dick Fritze of Castor said that a program of education was now needed in the prairie regions to educate young people in the use of irrigation water which will become available when the government dam projects are completed.

He stated that within a month a pilot project would be undertaken with 4-H groups in the Castor area and then, he suggested, carried out on a broader scale.

Also discussed was the problem of raising the water level in Gull Lake and the effects on wildlife in areas to be flooded by proposed dams west of Rocky Mountain House.

Plans for the 1967 David Thompson Highway Cavalcade were also discussed briefly but left in the hands of the committee for further work.

Mr. Stiller, the new president, urged a good selling job in interesting more communities in the Central Alberta Chamber of Commerce. He also said there was a need for public meetings to increase the general public awareness of work done by the group.

March is Red Cross month in Canada.

Local Girls Reach 'B' Event Semi Finals In Bonspiel

Sixteen rinks participated in the three-day Northern Alberta School Girls' Play-downs held at the Shamrock Curling Rink in Edmonton this past weekend. Rinks who took part in the 'spiel were: Innisfree, Barrhead, Mirror, Leduc, Onoway, Cold Lake, Drayton Valley, Mannville, Fort Saskatchewan, Bremner, Riviere Qui Barre and Wetaskiwin along with the city entries -- Shamrock, Lancaster Park, Granite and Thistle.

The Drayton Valley Rink skipped by Pam Casey with Joanne McLean, third, Linda Barnes, second and Bonnie Baxter as lead made a commendable showing by advancing to the semi-finals of the B event before being edged out by the Thistle rink.

Highlight of the weekend for the Drayton girls was their spectacular comeback in their game against the Cold Lake rink. Five down coming home, our rink rallied to bring five stones into the house with skip, Pam Casey drawing through a narrow port to lay six and win the game.

Overall the girls lost two out of five games. Their wins were over the Thistle, Cold Lake and Shamrock rinks. They suffered defeat in their second game against the Thistle, and in their game against the Innisfree girls.

Innisfree went on to win the Northern Playdowns and will advance to Calgary in two weeks. Our congratula-

tions go out to Innisfree and their accomplishment.

We highly commend the Drayton Valley representatives not only for the calibre of their curling but for the qualities of good sportsmanship which they displayed throughout the play.

Firemen Hold Banquet

The Drayton Valley Fire Department held its annual banquet on Monday evening, February 14th at the home of Mr. and Mrs. Larry Gano. Eighteen firemen and their wives were present for the occasion.

Following a lovely supper prepared by Mrs. Marlene Samis, Mrs. Doreen Ellery, Mrs. Doris Griener and Mrs. Opal Gano, the guests enjoyed a social evening and the showing of two informative films.

ARDA Projects Set Out

ARDA (Agricultural Rehabilitation and Development Act) has been in the news in recent weeks and because many people have asked about its activities we are re-printing here a number of the types of projects and programs which will be considered for joint federal and provincial participation under the ARDA program. These are:

Alternative land use projects (to transfer marginal lands to more productive uses).

Establishment of association, co-operative, group or community pastures.

Encouragement of the establishment of pastures by farmers on marginal lands.

Acquisition of marginal or other related lands for forestry purposes, crown and provincial forests, municipal forests, county forests or other public forest management areas.

Acquisition and planting to trees of lands designated as marginal or sub-marginal for long term forest management and tree production.

Acquisition of marginal lands for assembly to lease to farmers for forestry purposes.

Assisting in the establishment and maintenance of farm woodlots, including planting, access trails, etc.

Acquisition of marginal lands for public recreational purposes.

Soil and water conservation projects (to increase agricultural productivity in our best lands).

Drainage of good arable farm land.

Protection from flooding.

Supplying water for agricultural and rural development through water storage, dams and dugouts.

Provision of shelterbelts and other erosion controls.

Removal of stones, grassing and terracing.

Maintaining water levels for stability of agriculture, flood control, wildlife and recreational purposes.

Engineering of cost benefit or other related studies.

Rural Development projects (to provide for integrated development through studies.)

Study of present land use and capability.

Study of resource use and development opportunities.

Study needs for soil and water conservation projects.

Rural sociology.

Agricultural economics, including marketing.

Employment, labor, underemployment and vocational training needs.

Off farm employment and industrial development opportunities.

12 Simple Suggestions for Spray & Dust Safety

1 ALWAYS read the label before using sprays or dusts. Note warnings and cautions each time before opening the container.

2 Keep sprays and dusts out of the reach of children, pets and irresponsible people. They should be stored outside of the home, away from food and feed, and under lock and key.

3 ALWAYS store sprays and dusts in original containers and keep them tightly closed. NEVER keep them in anything but the original container.

4 NEVER smoke while spraying or dusting.

5 Avoid inhaling sprays or dusts. When directed on the label, wear protective clothing and masks.

6 Do not spill sprays or dusts on the skin or clothing. If they are spilled, remove contaminated clothing IMMEDIATELY and wash thoroughly.

7 Wash hands and face and change to clean clothing after spraying or dusting. Also wash clothing each day before reuse.

8 Cover food and water containers when treating around livestock or pet areas. Do not contaminate fish ponds.

9 Use separate equipment for applying hormone-type herbicides in order to avoid accidental injury to susceptible plants.

10 ALWAYS dispose of empty containers so that they pose no hazard to humans, animals or valuable plants.

11 Observe label directions and cautions to keep residues on edible portions of plants within the limits permitted by law.

12 If symptoms of illness occur during or shortly after spraying or dusting, call a physician or get the patient to a hospital immediately.

Snow Fence to Keep Roads Open

It is estimated that the cost of keeping Alberta roads free of snow could be cut by 50 per cent if permanent snow fences were planted throughout the province.

According to P.D. McCalla Supervisor of Horticulture with the Alberta Department of Agriculture, municipalities spend anywhere from \$15,000 to \$90,000 or \$100,000 every year, depending upon the winter, in keeping roads open.

A start in reducing this large annual expenditure could be made, says Mr. McCalla, by planting a windbreak in areas which consistently cause trouble during the winter months. This plan could then be enlarged when the benefits of these early planting are realized.

Mr. McCalla points out that some municipalities have already started tree

planting programs which have proved very successful. They backslope the shoulder of the roads, seed them and the ditches to grass and then planted trees 100 to 125 feet back from the farmer's property line.

A single row of trees, properly looked after, says Mr. McCalla, will give permanent protection from drifting snow. He suggests using shrub type trees such as caragana or lilac for roadside windbreaks. In two or three years such a windbreak will give definite protection.

Further information on planting windbreaks can be obtained from district agriculturists. They have application forms and a complete list of trees supplied every year by Department of Agriculture nurseries. Application forms should be filled out immediately by those who want free trees this year.

The Glomar Sirte is shown operating in the Gulf of Mexico

Pan-Am Announces Plans for Grand Banks Exploration

Several deep exploratory wells will be drilled off the Grand Banks of Newfoundland during the coming summer, it was announced recently. John C. Meeker, Vice-President and Calgary Division Manager of Pan American Petroleum Corporation, stated that his company and Imperial Oil Enterprises, Ltd. would undertake this program. Pan American is a wholly-owned subsidiary of Standard Oil Company (Indiana).

The drilling program, to be carried out between May and September, 1966, calls for 2 or 3 wells to be drilled to depths of 8,000 to 10,000 feet, on a 31 million acre tract on the Grand Banks, some 80 to 240 miles off the southern coast of Newfoundland. Pan American will be the operator for the partnership. As in previous years, St. John's Newfoundland will be the headquarters for ship supplies, supervision, communication, navigation and drilling crew changes. Other Eastern Canadian ports with direct railroad connections with major oilfield supply shipping points for heavy equipment and bulky supplies that will be needed on the project.

A contract is being negotiated with Global Marine Inc. of Houston, Texas, for the services of the "Glomar Sirte", one of the largest center well drilling vessels in the world. The Glomar Sirte is a 9,550 ton steam-powered, self-propelled drilling unit, 380 feet long with a beam of 64 feet, capable of drilling to 20,000 feet in water depths up to 600 feet.

Mr. Meeker outlined the 1964-65 exploration program that led up to the decision to drill deep tests this summer. Initially, geological and geophysical examination over the Grand Banks indicated that it was a potential area for oil and gas exploration. During the summers of 1964 and 1965, gas exploder work, aeromagnetic survey, conventional seismic and core

drilling were carried out. The work was conducted with the complete co-operation of both the Federal and Provincial Government authorities, particularly the Department of Fisheries.

The necessary exploration permits have been received from both the Federal Government and the Province of Newfoundland.

When this summer's program is completed, Pan American and Imperial Oil will have spent nearly \$7 million in their attempt to determine if oil and gas are, in fact, locked in the formations under the Grand Banks, and in quantities that would prove economical to produce. Mr.

Meeker also stated that between 75 and 100 people would be directly involved in the venture including Canadians from all parts of Canada.

Ukrainian Canadians Plan Continuous Program In '67

The Ukrainian Canadian Committee has established a sub-committee to co-ordinate Centennial planning and this committee has already formulated many of its plans for 1967.

Included in the plans are exhibits of Folk Handicrafts, baking and cooking, embroidery, weaving, Easter eggs, folk sculpture, and art, as well as concerts and exhibitions of Ukrainian music and dancing. Interspersed with these events throughout

the year, will be special films of Ukrainian historical and scientific significance, based on various activities.

Ukrainian Canadians have made a vital and important contribution to Canadian culture, industry and history, and this plan for a year-long observation of the Centennial of Confederation in Canada is further proof of their loyalty and pride in being Canadian, without losing any of their national heritage.

Cooking Magic

Oil Wives' Valentine Dance Proves Big Success

This week Northwestern Utilities has prepared these very delicious rice recipes for your cooking enjoyment.

OVEN BAKED RICE

2 cups raw regular or processed rice
1/4 cup butter or margarine
4 cups boiling water
2 tsp. salt

About 45 minutes before serving. Preheat oven to 350° F. In a 3 quart casserole, combine ingredients. Bake covered 30 minutes or until rice is tender; remove. Fluff up with fork, sprinkle with minced parsley. Serves 8.

OLIVE RICE WITH TOMATO RAREBIT

2/3 cup rice
1 can tomato soup
2 cups grated sharp cheese
1/2 tsp. dry mustard
1/4 cup chopped stuffed olives

2 tbsp. butter
Cook rice until tender, drain well and steam. Heat soup, add cheese and mustard. Cook over low heat until cheese is melted, stirring constantly. Add chopped olives and butter to rice and serve with the sauce. Serves 4.

RICE SUPREME

1 green pepper, diced
1 large onion, diced
4 tbsp. butter or margarine
4 cups cooked white rice
2 eggs
1 tsp. salt
1/4 tsp. pepper
1 cup grated Swiss cheese
Saute green pepper and onion in butter or margarine. Combine remaining ingredients. Add sauteed vegetables to rice mixture. Turn into greased baking dish and bake at 350° F. for 35 minutes. Serves 8.

RICE WITH MUSHROOMS

1 lb. mushrooms
1 medium sized onion, chopped
1 green pepper, chopped
Few sprigs parsley, chopped
1 cup canned tomatoes
1 tbsp. tomato paste
1/4 cup oil
1 tbsp. butter
Salt and pepper
1 cup rice, uncooked
1 cup water

Cut mushrooms in small pieces with a knife. Add onion, green pepper, parsley tomatoes, tomato paste, oil, butter, salt and pepper. Place on low heat in about 10 minutes add the rice and water. Cook 20 minutes in all. Add hot water a little at a time, as needed, if the mixture gets too dry; but when the rice is tender, the liquid should all be absorbed. Serves 6.

APOLOGY TO UNITED CHURCH

The C.W.L. would like to apologize for omitting in the February 9th edition, the fact that we are collecting nylons in aid of the U.C.W. Marilyn Niehaus is collecting the nylons and will donate them to the U.C.W.

Charity begins at home-- but it doesn't end there.

The Drayton Valley Oil Wives, their husbands and guests were treated to a delightful evening's entertainment on Friday, February 11 when they attended the Valentine Dance, appropriately called, "Cupids A-Go-Go."

The Elk's Hall was tastefully decorated in valentines, hearts, cupids, and red and white balloons. Each table was centered by a candle which added to the "romantic" valentine atmosphere.

Music was provided by Al Breault's five-piece orchestra from Edmonton and was immensely enjoyed, whether one was dancing or just listening.

Mid-way through the evening, three of Drayton's local Go-Go Girls put on a superb display of a Go-Go Dancing. Our thanks to Lorraine Copeman, Lorna

Long-keeping milk became available for retail sale in Britain last fall under the designation "Ultra Heat Treated" or "U.H.T." milk. It is claimed that the process does not affect the taste of the milk. Retail price has not yet been fixed, but it is expected to be comparable to that of top grade premium milk at about 10½ d. (13¢) to 11d. (14¢) per pint. Dairies do not expect any rapid development in sales but it could create new outlets and big export demands.

Lambert and Mickey Donovan for adding this enjoyable entertainment to our dance.

The raffle on a bottle of perfume was won by Bud Landreth.

We were glad to welcome

back for the dance Charlotte and Red Anderson, Ev and Vic Halwa, and Hazel and Len Charbonneau, former Oil Wives and their husbands from out of town.

A delicious supper was served following the dance. Everyone reports a most delightful time.

Convenors for the dance were Jackie Timmins, Dorothy Goss and Club Program Chairman, Pat Milne.

DRAYTON VALLEY, ALBERTA.

Funeral Services for Clifford H. Allen

Funeral services for the late Clifford Herbert Allen of Violet Grove, Alberta, age 63 years, who passed away on January 25, 1966 were held on Friday, January 28, 1966 at the Church of God in Drayton Valley, Alberta. Rev. Clarence Moodie of Lacombe, Alberta officiated and interment took place in the new Drayton Valley Cemetery.

The deceased was born in Browns Valley, Minnesota on January 30, 1902 and came to Alberta in 1904. He married Margaret Landers in 1926. During the years following they farmed near Irma, Alberta and Strome Alberta until moving to Violet Grove, Alberta in 1954 where he resided until his death.

He leaves to mourn his loving wife, Margaret, of Violet Grove; two sons, Clare of Drayton Valley, Alberta and Robert of Violet Grove, Alberta; three daughters, Mrs. Alfred (Fay) Badry of Donalda Alberta, Mrs. Vernie (Ellen) Beckett of Slave Lake, Alberta and Mrs. Dave (Elsie) Arndt of Violet Grove, Alberta. A daughter, Lucy, predeceased him in 1957. Three brothers, one sister and 16 grandchildren and a host of nieces and nephews.

Pallbearers were Oliver Ferguson, Walter Bigelow, Trueman Fry, Art Smith, Stan Mohn and Wilfred Paul. Honorary Pallbearers were William Beckett, Everett Brandt, Hamilton Anderson and Eric Turner.

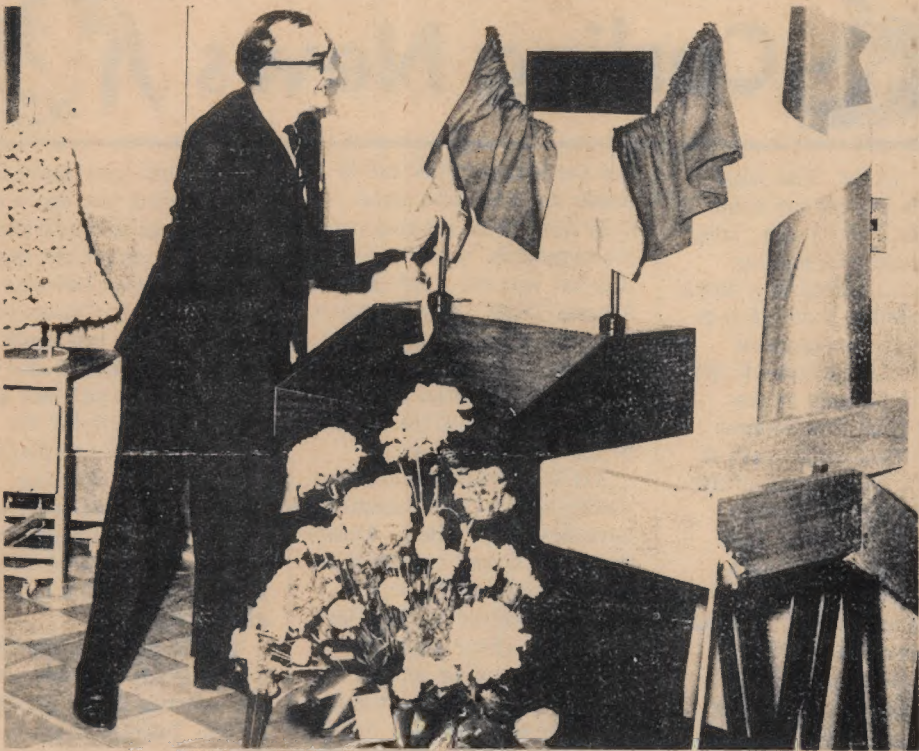

Hoveland Funeral Home, Camrose, Alberta was in charge of arrangements.

Floral tributes and donations received are as follows: The Family; Joe Maynard and family; Granny Landers; Violet Landers; Gerald and Nancy Allen; Aunt Emma Allen; Dona and Wilfred and family; Dave, Eunice and family; Melvin, Mary and family; Mrs. Colin McLean; Rita, Allister and family; Mr. and Mrs. M.A. Chaisson; Clifford, Doris and family; Carleen and Johnny and

family; Eveline and Oliver Ferguson; Mr. and Mrs. Jack Weller; Violet Grove Community League; Cecelia Badry; Mrs. Pauline Fraedrich; Mrs. Cox; Edgar, Kay and family; Mrs. L.J. Wahlund; the Hines family; Mr. and Mrs. T.A. Smith; Vina Wahlund; Eric, Ann and family; Fern and girls; Mr. and Mrs. Jack Platz; Ed and Teresa Klan; Alex McKaig; Mr. and Mrs. Phillip Gournick; Frank, Luke, Albert, Eddie and Adoulph Goumick; Mr. and Mrs. Roy Teeter; Mr. and Mrs. Fred Schipper; Mr. and Mrs. Louis Peguin; Mr. E.H. Anderson; Mr. and Mrs. Jack Platz; Mr. and Mrs. Gordon Stanton; Mr. and Mrs. John Warsaba; Mr. and Mrs. Les Oulton; Mr. and Mrs. Peter Gregerson; Mrs. Ann Look; Mr. and Mrs. Dave Verigan; Mr. and Mrs. Ralph Sodergren; Mr. and Mrs. Joe Dubeau; Mr. and Mrs. Stan Mohn; Mr. and Mrs. Walter Bigelow; Mr. and Mrs. Fred Davidson; Mr. and Mrs. Bob Muir; Mr. and Mrs. Ernie Chaput; Mr. and Mrs. Fred Wilson; Mr. and Mrs. Virgil Dahl; Mr. and Mrs. Walter Turtiak; Mr. and Mrs. Everett Brandt; Mr. and Mrs. Bill Turtiak; Mr. and Mrs. Clarence Dunnington; Mrs. and Mrs. Oliver Ferguson; Florence, George and family; Marilyn Badry; Doug and Mary Cornell; Lela and Steve; Gordon, Pearl and family.

The diet of the older person should consist of well balanced meals, differing from younger people's meals only in quantity, except in such cases where a choice of more easily digested foods is necessary.

Microscopic plants may change the color of snow after it has fallen, reports World Booc Encyclopedia. Greenland and other places in the Arctic often have red and green snow on the ground.

WETASKIWIN'S CENTENNIAL CARILLON DEDICATED

Provincial Secretary the Honourable Ambrose Holowach unveils the plaque identifying the "Centennial Chimes Dedicated to Commemorate the Centennial of Confederation of Canada 1867-1967". The plaque is on a wall of Wetaskiwin's City Hall, just above the console of the carillon.

LIBRARY NEWS

Every week brings new books for the young readers of our library. Some of these are new, others are merely new to us.

The historical novel, so very popular with many adult readers, is now being written with juveniles in mind. Such a book is "The Flaming Prairie" by John Hayes. Old time favourites by Jules Verne are "Yesterday and Tomorrow"

and "Green Ray". We have "Fairy Tales of the Orient" by Pearl Buck. More and more juveniles are being attracted to works of non-fiction. Biographies of Napoleon, Julius Caesar, Marco Polo and Jacqueline Kennedy were added to our collection last week. "Ancient Scandinavia" by Proctor should be of special interest to some. May we remind you? Library hours are: Tuesday - from 12:00 noon to 1:00 p.m.

for bus children, 3:00 to 5:00 p.m. and 7:30 to 9:00 p.m. Friday - 3:00 to 5:00 p.m. Fifty cents buys a child's membership for twelve months. Many of our readers are taking advantage of their opportunities for borrowing and often read three books each week at a cost of one penny. Your library board would like to stress that country residents are most welcome to come and make use of the library facilities.

Curling News

W.W. "Billy" Rose wins again. In the recent Zone 16 playoffs at Stony Plain, Rose had no trouble in running through undefeated in a modified double knockout draw to win the right to represent Drayton Valley in the 16 zone playoffs to be held at the Ottewell Club in Edmonton from the 22nd to the 24th of February. The winner of this will represent the North in the Alberta Playoffs. Last year Rose was only inches short of defeating Gordon Walker in the finals. Walker later went on to win the Alberta Championship and made a fine showing in the Dominion Playoffs.

Over the past weekend the Curling Club hosted no less than 54 rinks in two Company bonspiels. On Saturday, Pan American Petroleum Ltd. invited in some 30 rinks from all across Northern Alberta to the one day 'spiel. These have become very popular at the Club over the past few years. It's headaches galore to work in this many rinks but under the capable hands of Jim Bell and Lindsay Milne, they managed to keep any rink from running away with the bonspiel. Many familiar faces return to Drayton Valley for these bonspiels and it makes for a grand reunion plus. Such former greats such as the ever dangerous Stan Kondratiuk and Peewee Jim McMasters were only a few of the many who returned.

On Sunday Goliad treated their employees and guests to a very successful bonspiel. Bruce Boles handled most of the arrangements. This 'spiel displays some of the most outstanding silverware for the curlers to play for. The success of these bonspiels has proved that the roaring game of curling is becoming more popular every year.

Pam Casey and her High School rink almost upset the apple cart in the Northern Alberta High School Girls Playoffs over the past weekend as they went all the way to the finals of "B" section before bowing out to a city rink. Their record was 4 wins and 2 losses which is quite commendable for the competition that they were up against. The rink was sponsored by the Ladies Curling Club.

Dr. H. Shimbashi will be skipping the Drayton Valley entry in the Northern Alberta Corby Cup playoffs at the Alberta Avenue Curling Club in Edmonton this weekend. There will be 10 districts from Northern Alberta represented.

Adrian Meier and his rink recently returned from Barrhead where they played in the Massey Ferguson Curl-o-Rama but failed in their bid to represent this district. They were caught on one of their off days, which happens quite often to the best of rinks. This was proven in the recent Northern Alberta Consols play when Hec Gervais was ousted by two almost unknowns who later played in the finals. Dave Gerlach from Stettler

was the winning rink and it marks the first time since Billy Rose, then playing out of Sedgewick, that a country rink has won the Northern Alberta Title. Dave Gerlach has filed entry to play in the local Open Bonspiel but with the heavy schedule, should he win the Alberta Title, he may be forced to withdraw.

All 64 spots in the Drayton Valley Men's Open Bonspiel have now been filled. Drawmaster Al Casey has the draw almost completed and it should be posted at the Club very soon. Each year the compliment of 64 rinks is being filled earlier. It is unfortunate that the club cannot take more entries but with the limited time and facilities 64 is the maximum number that can be accommodated. Some of the greats that will be back is last year's winner, Jack McCoy, former Yuletide winner, Normie Rose, former Brier winner, Billy Rose, McMahon Bros., an unknown from D.C., D.V., and Edmonton, Dave Gerlach winner of this year's Northern Alberta Consols, plus a host of other top rinks from the local club. Curling will get under way Wednesday evening at 5:00 p.m. with the official toss and the Donors Reception in the upper lounge for all donors to the Drayton Valley Open Bonspiel. The local Curling Club is indeed grateful for the support by the local business firms and other companies in making donations to the curling club for the bonspiel.

There will be a one week lapse in all regular league curling at the club beginning next Monday. This will allow the icemakers, Grant Shearer and Jim Striet to get the ice in top condition for the upcoming Men's Open. Regular league play will resume as usual on the 28th of February. Any constructive criticism about the ice can be forwarded to the above mentioned. Any other criticism will be disposed of in the usual manner.

Bill Sware once again showed great form in the recent Seba Beach open as he went all the way to the finals of the second event. Curling with Bill were Jim Crough, Barrie Harrison and Walter Schmidt.

In the Mulhurst open it was Al Young of the local club who ousted Allan Small also of the local club in the finals of the Grand Challenge. We understand that it was another

one of those tipsy topsy finals.

We remind you again of the Alberta Legion Finals that will be played at the Drayton Valley Curling Club this weekend. All viewers will be in for some top notch curling. We would also mention that there still are a few tickets available for the Sportsman's Dinner that is being held on Saturday evening in conjunction with this playoff. Tickets for the event can be obtained from any member of the Legion executive.

The Drayton Valley Curling Club has now become one of the ambassadors of goodwill for the Town of Drayton Valley. We only hope that in the future, as in the past, that the reputation of the Club and its representing curlers will keep this in mind. All the curlers who come into the town are ever amazed at the town and the facilities that are provided. This not only is a boost for the curling club but for the town as well.

LADIES' CURLING

In the "A" section, with five games played, the race is on between the LaBranche rink and the Barb MacKenzie rink, each with 4 wins and one loss.

In the "B" section we have a three way tie between the Kent, Copeman and Hansen rinks.

Former Drayton Valley curler, Bernice McMaster, was back in town last weekend curling in the Pan American bonspiel. Good to see Bernice back in curling form again.

The Thorsby Club is holding their bonspiel on March 12th and 13th. Closing date for entries is March 7th and are to be sent to Veona Zingel, Box 110 or Phone 180, Thorsby.

The Ladies Granite Curling Club are holding an invitational bonspiel on March 23rd, 24th and 25th. Anyone interested is asked to contact Betty Bouschard at 542-4398.

Congratulations to Pam Casey and her rink of High School curlers who reached the semi-finals in the High School playdowns in Edmonton last weekend. A vote of thanks to Nevis LaBranche and Betty Waugh who accompanied the girls and to Fay Shearer and Nevis for coaching them. The team was sponsored by the Ladies' Curling Club.

Mr. Milton McMahon, Imperial oil agent at Drayton Valley and Mrs. McMahon pose with Mr. and Mrs. Ed Lyons at the recent Esso agents meeting at the Macdonald Hotel in Edmonton. Mr. Lyons is Imperial Oil sales representative in the Drayton Valley area. This was the first agents meeting attended by Mr. and Mrs. McMahon since they took over the Imperial agency from Billy Rose, January 1st. At the dinner, the long service of Billy Rose as an Imperial Oil agent was recognized as he was presented with a 30-year service button by J.D. Urquhart, region marketing manager.

NEW STAMPS TO BE ISSUED

The floral emblems and coats of arms of the Yukon and Northwest Territories are featured on two new stamps to be released March 23rd, 1966, Postmaster General Jean-Pierre Cote announced today.

These five cent stamps are the twelfth and thirteenth in a series initiated in May, 1964, honouring the various geographic regions in Canada as a prelude to Centennial celebrations in 1967. A fourteenth and final stamp in the series will be issued later this year.

Yukon's colourful fireweed emblem, adopted in 1958, will be pictured on one of the new stamps in tones of blue, red and green. Its companion issue will use shades of yellow, green and olive to illustrate the mountain avens, chosen as a symbol by the Northwest Territories in 1957.

Designs for both stamps were by the Canadian Bank Note Company who will print the total 14 million for each issue with a combination of offset and intaglio methods.

Shaving was originally a protective measure since long beards were easy for opponents in combat to seize.

Lodgepole U.C.W. Elects Officers

Mrs. W. Norquay,
Correspondent

The monthly meeting of the U.C.W. was held on Wednesday, February 9th at the home of Mrs. C. Schultz in Lodgepole. There were nine member and one visitor at the meeting. Mrs. L. Kay read the devotional and election of officers for the coming year was held. Officers are as follows: Mrs. M. Ramshaw, President; Mrs. L. Kay, Vice-president; Mrs. A. Oliver, Secretary; Mrs. D. Pedersen, Treasurer; Mrs. E. Rosentreter, Visitation. The group is planning a Mother's Day Tea in May. Mrs. A. Oliver and Mrs. E. Kyle were co-hostesses. The next meeting will be held on the 9th of March at the home Mrs. E. Rosentreter. At that meeting each member is asked to bring a guest for roll call. Mr. and Mrs. E. Rosen-

treter and family went to Edmonton last weekend and had a visit with Mrs. Ron Connelly and her daughter of Whitehorse. Then they continued on to Red Deer and then to Innisfail and visited with Mr. and Mrs. Dan Rosentreter, Ed's parents.

Mr. and Mrs. V. Nelson and family of Camrose were here for a visit with their son and family, Mr. and Mrs. R. Nelson last week.

Mr. and Mrs. K. McMillan had a visit from their daughter Linda and her husband, Mr. and Mrs. G. Hazzard of Edmonton on the weekend.

Mr. and Mrs. M. Schneider of Lodgepole are proud parents of a baby girl. They have three boys. Congratulations to you both.

I hear Mrs. M. Schmidt of Lodgepole is in Drayton Valley Hospital. Here's hoping she has a speedy recovery.

Mr. and Mrs. H. Elliott

had a nice visit this past week with their daughter, Miss Layonne Elliott. On Wednesday, Misses Verna and Bonnie Brinker came for a visit too. They took their dog Laddie back to Red Deer with them.

Today's chuckle: During a physical examination the doctor noticed the patient's hand shaking. "You drink a lot, don't you?" he said. "Nope," replied the man, "Spill most of it."

FORMER RESIDENT ILL

We are sorry to hear that Chuck Twistle, now Calgary Power Manager at Hay Lakes spent some time in St. Mary's Hospital, Camrose and is now convalescing at his home.

Oil Agents Attend Meet

Over 90 Imperial Oil agents attended a planning and sales meeting in the Macdonald Hotel in Edmonton recently. While the agents were attending business sessions in the afternoon, their wives were being entertained at a tea and fashion show in the same hotel.

Mrs. J.N. Love, wife of the provincial sales manager for Imperial Oil was the hostess for the tea. Wives of other Imperial Oil sales personnel assisted Mrs. Love in welcoming the guests. In the evening the agents and their wives joined Imperial personnel at a reception and dinner.

NOTICE

The Municipal Assessors will be in attendance at the Town Hall on Monday the 28th of February, 1966 from 1:00 p.m. to 5:00 p.m. and on Tuesday the 1st of March, 1966 from 9:00 a.m. to 5:00 p.m., exclusive of the Noon Hour, for the purpose of discussing and advising on assessment problems and queries.

Evansburg News

Mrs. Bruner, Correspondent

Well, so far, at the time this is written anyway, we are still enjoying nice weather; perhaps I should touch wood.

The volunteer Fire Brigade fought their first fire of the season when one of the NADP trucks caught on fire the other evening. Fire was caused by a propane heater and damage was confined to the van interior.

Mr. Paron, our smiling town foreman is back from a three day course on plumbing. He is now busy fixing up what went wrong while he was gone.

The District Agricultural Society held their meeting at the home of Mr. and Mrs. Boone (North of Wildwood). Plans were made to raffle a cedar chest, a camp stove and a pair of guinea fowl. Tickets are to be on sale in the near future. Revisions were made to the fair book, also. Owners of registered cattle will have no need to carry around valuable registration papers. All they need do is write the animal registration number on the entry forms. Plans were also made to have lovely girls vie for the honor of being Agricultural Queen at the fair. Any girls interested in being queen need only contact any one of the directors.

There is now more than a possibility of organizing a scout troop in the village.

Mr. Mazeppa and Mr. Smith, with the help of Mr. Sole will undertake the project. Of course, as with anything else undertaken for the benefit of children, co-operation and help from the parents will be needed.

Mr. and Mrs. Froland are back from an extended stay in sunny California. They were gone almost two months so have avoided all the beastly cold weather we had.

Many residents of the district will wish to send their sympathy to Ernie Shand on the death of his mother, Mrs. A. Shand Sr. of Peers who passed away recently. Ernie will be remembered as the "keeper of the Dorm" for several years. Mrs. Shand was an old friend of my family.

HIGH SCHOOL NOTES

Several students achieved honors on their Christmas examinations. The honor roll requires an average of 80% or more while the honorable mention is awarded for an average between 75% and 79%. The following received honors or honorable mention: Grade XII - Diploma Pattern Honor Roll - Sharon Booker; Grade XI - Honor Roll - Caroline Kjolien, Eunice Toews; Honorable Mention - Jeri Hutchinson; Grade X - Honor Roll - Cheryl Pederson; Honorable Mention - Larry

Metelski, Claudette Demers: Grade IX - Honor Roll - Linda Dusterhoft; Honorable Mention - Valerie Hutchinson, Chris Landreth, Rosalyn Ratzlaff, Sherrill Timmins.

The school newspaper is holding a raffle of \$25 to \$30 money doll. The tickets are 10¢ each.

The new Social Committee of the Student Union consists of Carol McGaughy as the convenor with Pam Casey and Doreen Van Ember making the rest of the committee.

Due to the resignation of the president of the Student Union, Wilma Olver, the Vice President, Gerry Anderson has taken over the presidential duties.

The Sweetheart Swirl candidates, Pam Casey, Sherry Olver, Lorraine Lee and Shirley Vadheim are busy selling raffle tickets. Each one sold means one more vote. An L.P. recording is being raffled. The tickets are 5¢ each or 25¢ for a book, which consists of six tickets.

It takes an average of 20 units of whole blood for one open heart operation.

Chicken Litter For Cattle

Alberta cattle feeders who fed chicken litter during the past year are satisfied to enthusiastic with the results according to a study recently completed by the Alberta Poultry Branch. All intended to continue this type of feeding in 1966.

The study shows that enthusiasm for litter feeding comes from lower ration costs rather than from increased gains. The litter feeder can aim at gains equal to those of orthodox feeding unless he is feeding a high proportion of litter, in which case he should expect slightly lower gains.

EMPLOYMENT WANTED

Girl 18 would like to babysit or do general housework, etc. from Monday to Friday by hour or day. Prefer work in town. Has Grade XI. Phone 542-3903. f16c

Neat, responsible girl wishes full time Babysitting, light housekeeping, live in. Write Barbara Bellamy, P.O. Box 175, Breton.

Experienced Dicta-typist, reception, switchboard, accounts, payable and receivable. Requires position. Apply P.O. Box R120, Drayton Valley. f9,16c

HELP WANTED FEMALE CONSUMER RESEARCH

One of Canada's foremost Market Research companies has openings for women to conduct interviews (personal and telephone) and gather opinions in connection with consumer surveys and public opinion polls. Positively no selling involved. Both daytime and evening work. Use of car desirable but not essential. Apply Canadian Facts Co. Limited, 49 Wellington St. W., Toronto 1, Ontario. f9,16c.

The proportions of litter used in cattle feed vary from about 25 per cent to 75 per cent, with the balance of the ration being made up of barley or barley and oats. The heavier levels of litter are usually fed early in the fattening period with more concentrates being added during the finishing period. Litter is generally used as the only source of roughage but some feeders provide a limited amount of hay as well.

The study also shows that most cattle feeders feed litter in bunks. Self-feeding works fairly well for mixtures containing less than one-half litter. The method of feeding is usually to hammer a mixture of grain and litter together. If the litter is too finely ground, there may be an increase in digestive disorders or bloat. These problems can be overcome by a coarser hammering or by feeding some coarse hay or both.

The total daily feed consumption of litter varies from about 20 to 30 pounds per head per day. Litter and silage combinations have been tried but the energy content is too low to give anywhere near satisfactory gains.

According to published reports and analysis, carried out under the Alberta Poultry study, it does not seem to matter too much what type of bedding is used in litter. The important factors are the amount of bedding and the age of the litter. The more bedding, the lower the protein content. The protein content increases with age because it is due in part to bacterial build-up. This bacterial action also seems to make the protein more digestible.

While the protein level in poultry litter is more than adequate, carbohydrates and fat are low. Consequently, those

who took part in the study feel there might be a case for using beet pulp in a litter ration for fattening beef cattle. Although no feeders were found using beet pulp, its high energy properties and ability to increase the palatability of a ration might well be considered.

It may be necessary to supplement phosphorous in poultry litter although the calcium phosphorous ratio is very narrow and there seems to be more than enough of both. However, there is some question as to the availability of phosphorous. The vitamins A and D also need to be supplemented.

Although the Alberta Poultry study only dealt with fattening rations, there is a possibility of poultry litter being alright for beef cow maintenance rations. Again palatability usually indicates that it should not be fed alone. Also vitamins and possibly minerals would have to be added. In the Eastern Stations, litter is being used as supplemental feed for beef cows on pasture.

All Alberta operators who have been feeding poultry litter agree that keeping it presents a real problem. The litter's high moisture content makes it very prone to heating. Consequently, a continuous supply of fresh litter is almost a necessity. Another problem is dustiness, particularly in litter from houses with earth floors. Although the disease hazard is of some concern in litter feeding projects, it did not seem to be a major obstacle in the Alberta Poultry study on litter feeding.

The word salary comes from "salarium" meaning salt money, since Roman soldiers received part of their pay in salt.

Eighty Members Attend Oil Wives Meeting

The regular monthly dinner meeting of the Drayton Valley Oil Wives was held in the Cardium Room on February 14th. Eighty members, three new members, seven guests and two program guests enjoyed a delicious meal in an attractive cupids and hearts Valentine setting.

During the business meeting Jackie Timmins reported the "Cupids-A-Go-Go" dance held last Friday evening was most successful and thanked all those who had helped. Next month is our annual Talent Night and celebration of our eighth birthday. Our meeting will be held in the Elk's Hall, the price will be \$2.00 and each member can bring one guest - either prospective or non-prospective. Any member (s) wishing to contribute to the program should contact Pat Milne.

A letter was read from the Christmas Welfare Organization, whose purpose it is to form a central organization so those in need can register. It was moved our club representative to this organization be Dot Booker. Any Oil Wives' member with suggestions concerning this should contact Dot through Mae O'Rourke at 542-3794.

The next executive

meeting will be at Betty Wronko's on March 7th. The Drayton Valley Oil Wives have been invited to participate in the Calgary Oil Wives' Bonspiel March 25th and 26th; the Edmonton Oil Wives' Bonspiel April 1st and 2nd; and the Sylvan Lake-Red Deer Oil Wives Golf Tournament for husband and wife on May 28th. Anyone wishing to enter any of these contact secretary, Marilyn McLean.

It was moved that our nominations committee for the 1966-67 executive will be headed by 1st Vice President Jackie Timmins. It was moved that Dot Booker be a nominee for election as a board member. Election will take place in October at Calgary.

The raffle for the lovely Valentine cake was won by Maxine Meaver.

Our guest speaker was Mr. Dick Humphreys, principal of the Drayton Valley Junior High School. He delivered a most interesting and informative talk on the changing of principles in Education and the reasons why these changes are taking place. He stated that educationists now teach by using a method of discovery of answers through understanding rather than by memorization. Children learn now by "case studying" and "through the tips of their fingers and the soles of their feet." Mr. Humphreys went on to explain how these concepts are applied in the "new math", the reading program, social studies and the new senior high school science courses.

The evening concluded with the making of Valentines, complete with original verses, and prizes went to the best entries.

WHO'S NEW

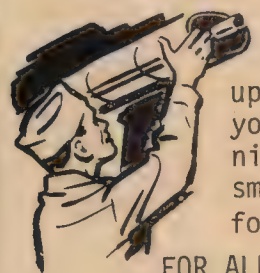

February 10th - Mrs. Carl Lindberg (Rita), Lodgepole - Boy - 8 lbs. 9½ ozs.

February 12th - Mrs. James Clark (Doris), Drayton Valley - Girl - 4 lbs. 15½ ozs.

This winner of this week's baby spon is Mrs. Lindberg with her boy of 8 lbs. 9½ ozs. Mrs. Lindberg may pick up her spoon at:

PFRA Assistance For Farm Dugout

The presence of ground water and the conservation of spring runoff water are two of the main sources of water for the farm family.

Since 1935 the Prairie Farm Rehabilitation Administration has assisted financially and technically with the construction of more than 80,000 projects involving the storage of surface water. The majority of these projects fall in the farm dugout category.

This type of project is convenient to locate, either near the farm buildings and shelter belt or in a pasture. It is simple and relatively inexpensive to construct when related to the large volume of water that can be stored.

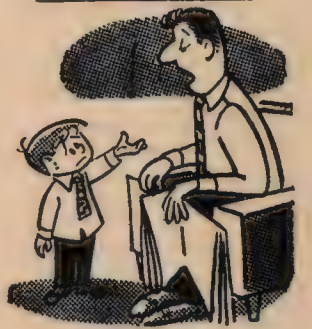

In assisting with dugout construction, the P.F.R.A. recommends certain specifications that have proven to be efficient. The recommended dugout size is 200 feet long, 70 feet wide, with a depth not less than 14 feet. This corresponds to the size of dugout on which the maximum \$300 grant offered by the Federal Government, will be paid. Assistance is paid at the rate

of seven cents per cubic yard on the completed excavation and after the project has been approved by a field representative.

Assistance is also available for the construction of stock-watering dams and irrigation works. These are subject to Provincial control through the issuance of a Water Right License. Dugouts do not require such a license.

"Application for Assistance" forms are available at your district Agriculturist office.

For further information and advice, contact your P.F.R.A. Water Development office, Box 814, Federal Building, Red Deer, Alberta.

Committee Chairman Reviews Nursing Home Situation

Last winter and spring there was considerable flurry in Drayton Valley over the possibility that a nursing home would be built in the Town almost immediately. Then, interest waned as the summer passed and nothing came of the talk. Some people, I'm sure, thought the whole thing was just rumor, and that it had no more substance than a sneeze.

Not so, as a matter of fact, a Nursing Home is still a distinct possibility in Drayton Valley. Did you know that the Edmonton and District Hospital Board had authorized up to 66 nursing home beds for Drayton Valley? Did you know that the town council has set aside a selection of sites for such a home? Did you know that local and regional doctors have at least 75 patients on their case files who could be recommended for nursing home care immediately?

With these facts before you, some of you may be wondering why the Nursing Home isn't a reality. What's the holdup? Finances....Money. The investors who did look at our sites last spring and who were ready to build were just too heavily invested elsewhere to be able to borrow the necessary money to construct our nursing home. After all, it will cost \$400,000 to build and equip it properly. The Provincial Government was approached on the subject, but they declined to become involved in building it.

To bridge this gap between the possibility of a nursing home and the problems involved in getting one, the local Chamber of Commerce has set up a committee of local people charged with the

responsibility of doing all they can to bring the nursing home into being. The committee is chaired by Rev. Jim Strachan and is made up of Mr. Al Miles, Mrs. Norma Howatt, Dr. David Lewis, Mr. Rusty Zander and Mr. Bill Johansson. The Committee meets the second Wednesday of each month in the Council Chambers, and has already begun to work on the thorny problem in its hands. Right now it is in the process of contacting churches and religious bodies to see if any of them might be interested in constructing and operating a nursing home in our community. Advertisements for builders and investors are being placed in weekly newspapers all over the province. Members of the committee feel they must work swiftly for there is no telling how long the Edmonton and District Hospital Board will leave 66 nursing home beds in our hands if we don't get busy and build the institution.

Many people have asked if the nursing home can be a successful venture; if it can make money and thus attract an investor and builder. The answer to that is quite simple. Yes it can. The Provincial Government, while they will not build a nursing home, does provide \$4.50 per day per patient, to be matched by \$2.50 per day from the patient or his family. In cases where the patient cannot make any payment, he is put on welfare rolls and the provincial government pays the full \$7.00 per day for a public room. That this is a better than break-even proposition is evidenced by the large beautiful nursing homes that have been built and

opened just lately in Ponoka and Fort Saskatchewan. With proper management these homes will pay for themselves and provide a satisfactory profit from the day they start operation.

The local nursing home committee would like you to know that there is much that you can do to support this project. Perhaps you are a potential investor-builder? Or perhaps you know one? If so, talk it up, and contact one of the committee members. Or perhaps you have an idea for furthering nursing home plans. Call Mr. Strachan or any other member of the committee. If enough of us are concerned and active on behalf of this project, we may get a nursing home in spite of present difficulties.

14 Members At A.A.R.N. Regular Meet

Fourteen nurses attended the February 9th meeting of the Drayton Valley A.A.R.N. Chapter #33. January minutes were read and approved. The treasurers books are being audited at present and were not available.

A memo was received from Edmonton Chapter #7 notifying us of the lectures to be held in the Maths-Physics Building, University of Alberta, Edmonton beginning March 9th. This year the lectures are based on the theme, "Illness and the Family." In past years these lectures have been very stimulating and worthwhile attending. Members have in the past attempted to get a car load to go in for some of these. They have been in the evening and usually last two hours. More details will be forthcoming prior to the lectures.

Two delegates, M. De Ciccio and B. Simon were able to attend the special meeting held in Red Deer on February 4th. They reported the highlights of the meeting and felt it is worth everyone's while to be able to attend at least one of these meetings if possible. There was a great deal of discussion especially on the status of the associate member. However, it was felt that despite the interest the member shows, there is a great need to involve the active nurse more and more in the A.A.R.N. affairs and therefore, it will be the active membership who will have voting powers.

There will still be a place for Chapters and here associate members may play their part by keeping abreast of current affairs through the newsletter and by educational study in the group.

The new bylaws as proposed at the meeting which were voted upon with a few amendments will go into effect immediately. These changes are going to involve many meetings and a great deal of work on the part of the

provincial executive. Perhaps we can all appreciate the work they have done so far and the work yet to do before the "new look" will be in polished form. 1966 should prove to be an interesting year for the A.A.R.N.

Following the report from the delegates the programme committee had members break into two discussion groups to voice opinions on the "Philosophy and Objectives of Nursing Service" in Alberta. The basis for discussion was the philosophy and objectives as tentatively formed by the nursing service committee and published in the August newsletter. In general this outline appears to have the basic requirements needed to formulate the philosophy on objectives

of nursing service. Some questions were raised on some of the terminology used and to what these words and phrases encompass. These questions will be gone over by the executive and the opinions of this chapter sent in by March 15th.

During this discussion period members enjoyed lunch served by N. Schneider.

All nurses, active, associate and inactive are invited to come to the next meeting on March 9th at 8:00 p.m. in the nurses' resident. Come and take part in the program theme for 1966, "Service through Self Improvement."

People read newspaper ads when they are ready to make a decision and to act - when they're ready to buy.

NOW is forever...
for brilliant wedding candid

TOWN OF DRAYTON VALLEY

Form 42
Section 298,
The Town and Village Act of Alberta

PUBLIC NOTICE OF BY-LAW

Public Notice is hereby given that there has been introduced in Council of the Town of Drayton Valley in Alberta, a By-law of which the following is a short synopsis:-

A By-law of the said Town to authorize the Council of the said Town to incur an indebtedness on behalf of the said Town of Drayton Valley in the amount of Forty Thousand (\$40,000.00) Dollars to purchase lands all within the boundaries of the Town of Drayton Valley for the purpose of developing into subdivisions for building sites.

And that a copy of the same may be seen in each of the following places:

Lunan's Insurance Office
Valley Valet Ltd.
Pembina Drug Store
Burrows Motors Ltd.
Nickel's Solo Store
Block's Store Ltd.
Town Administration Office.

And further that unless within thirty days from the publication of this notice five per cent or two hundred and fifty of the proprietary electors, whichever is the lesser, of the town, petition the Council to submit such by-law to the vote of the proprietary electors of the Town, the Council will proceed to consider, and if it thinks fit, to pass the same.

Given under my hand and the corporate seal of the Town of Drayton Valley this 15th day of February, 1966.

W.G. JOHANNESON,
Secretary-Treasurer.

D. V. Highlights

BY MRS. EDITH DEBY

March 6th is Red Cross Sunday. Mrs. Mavis Waddell, secretary of the local branch of the Red Cross, says that it will be observed in most Drayton Valley churches.

Mr. and Mrs. Stirling MacLean made a two day trip to Calgary last week. They were accompanied by Mrs. Hubert Davidson. Mrs. Davidson visited a school friend, Mrs. Gwen Flathers, formerly Gwen Fahey.

Mrs. Zolmer is always interested in anything of an artistic nature. Last week she turned to the medium of papier mache. It is hard to believe that the result was the work of an amateur. Two bowls were attractively decorated in a mosaic pattern. A large black turtle, also made of papier mache, fixes one with a beady eye and actually looks ready to snap.

Mr. and Mrs. Andrew Johnson have departed on a we'll-decide-where-we-are-going-after-we-start holiday. They telephone home occasionally to make sure everything is under control. To

date they have called from Calgary, Vernon and Salmon Arm. It is expected the next call will probably come from Vancouver. Daughter and son-in-law, Mr. and Mrs. Edwin Shewfelt, are caring for the farm in the Johnson's absence.

Sorry to hear that Mrs. Milt Jensen is on the sick list these days.

The Farm Union meeting was well attended to hear guest speaker, Mr. Don Gylander, speak on the subject of co-op insurance. Mr. and Mrs. Gylander are agents for this insurance in the area.

The Ukrainian supper drew a big crowd. The ladies of the Ukrainian Church received many compliments. Funds raised will be used to help complete the church now under construction in the East side of town.

A wedding of interest will be solemnized in Wildwood Lutheran Church on Saturday, March 5th, when Mrs. Annie Coast, of Entwistle, and Mr. Ernest Jensen of Rocky Rapids exchange marriage vows.
